Welcome to the K!ds drama team!

We are so excited to have you on our team—we couldn't do it without you! As stage performers, you have an important role in sharing the Gospel with children. Drama is the one place in our services where you have the kids' undivided attention. They become incredibly immersed in the actions and relationships between the characters. Because of this, it's the perfect opportunity to share truth with them. That opportunity is yours!

We are here to pour into you, so you can pour into the kids. Here's what you can expect from us!

- We will encourage and help you grow, not only in your acting abilities, but we are also here to support you in your ministry and spiritual growth.
- We will schedule you every other week or twice a month, providing time for you to attend a "Big Church" service.
- We will communicate with you primarily via e-mail (to send scripts) and texting. Because online social networking sites like social media aren't always reliable, we will not use them to communicate with you.
- Scripts will be sent out via e-mail every Thursday at 4:00 p.m.
- In the event of a change or emergency and the script is not sent out, you will receive notification by text, call, or e-mail by 4:00 p.m. on Thursday explaining the situation and when you should expect to receive your script.
- Monthly calendar schedules will be sent out via e-mail at least one week prior to its respective month.
- We will communicate with you exactly what time we will meet on Saturday when we send out the script. We will always meet on Sunday at 8:40 a.m.

As always, there's grace. We commit to show grace and receive grace. We're a team. We take responsibility not only for our mistakes, but also for our successes. We lose and win as a team!

Honored to Serve Together,
