ACTIVITY IDEAS

Memory Verse Pictures

Say the memory verse together as a class, then divide the class into a few small groups. Lay a sheet of butcher paper on the floor in front of each group. Tell the children to write out the verse using as few words as possible. They can use pictures instead to help them understand the verse better. When they are finished, let each group explain their pictures to the class.

Playing Teacher

Divide the class into groups of four or five. Let each group be in charge of teaching the class a portion of the memory verse. Let them create a song, chant, game, or picture to help teach the rest of the class the verse. Let each group have their turn teaching their section of the verse to the rest of the class. Compare this to how Jesus taught Nicodemus.
