Moses Gives God's Command

LESSON POINTS

Bible Story: Ten Commandments

Exodus 19, 20, 31:18

- When the children of Israel had been in the wilderness for three months, God called Moses up to the mountain.
- God told Moses that if the people would obey Him and keep His commands that they would be a special treasure to God, and He would take care of them.
- God then gave Moses these commandments: 1. You must not have any other gods except Me. 2. You must not worship or serve an idol. 3. You must not use the name of your God thoughtlessly. 4. Keep the Sabbath holy. 5. Honor your father and mother. 6. You must not murder anyone. 7. You must not be guilty of adultery. 8. You must not steal. 9. You must not tell lies about your neighbor. 10. You must not want to take your neighbor's stuff.
- God wrote these commandments on two stone tablets.
- Moses took the tablets, went down from the mountain and told the people what God had said.

“Red Light, Green Light”

Show the children pictures of traffic signs or colors. Talk about how we need to follow those signs because they keep us safe. Then play a game of “red light, green light” with children and talk to them about how God made rules to protect us, and it's important that we follow those rules.
