

Counseling Process

Trinity Fellowship Church

Trinity has limited counseling available for those who are connected to the church, including group members. To enter the process, the following the steps are necessary:

- Secure a Ministry Packet by e-mailing counseling@tfc.org. This packet will be sent to you automatically. You can also pick up a ministry packet at any information desk.
- Complete and return the packet by hand, mail, or fax 355-1130. If marriage counseling is requested and both spouses want counsel, each spouse must complete a packet.
- We will connect with you within 1-3 days, and an appointment will be scheduled at that time.

Trinity counseling follows a biblical process. If you are seeking professional help, a list of resources is available from Rita. The purpose of counseling is to help counselees gain the tools necessary to walk in the destiny God has designed for them.

The Counseling Ministry is a ministry for:

- Adult Individuals
- Marriages
- Inner Healing and Deliverance
